FAQ: INTERVIEWING AT RED HAT

1. What type of interview does Red Hat conduct?

We subscribe to a behavioral based interview methodology which means you will be asked a series of questions based on past experiences so that we can gain a better understanding of how you will perform at Red Hat. If you have any questions about the position you are interviewing for, please contact your recruiter or Vivian Chang (wchang@redhat.com).

2. Who do I contact about changes to an interview schedule?

Please contact wchang@redhat.com or interview@redhat.com.

3. What is the dress attire for the interview?

Depending on the position you are interviewing for, we recommend business casual to professional attire.
